## European Style

### Skull Mounts

### Hunters:

Have you seen a European style skull mount? They are easy to clean, odorless, worry-free and a great way to show off your trophy. They require less space for display than a standard shoulder mount. We can provide quick turn around, less than 24 hours. No shipping is necessary but crating and shipping are available. We offer competitive prices...75% less than standard shoulder mount prices. Group discounts are available. European style is available for all species large and small. Stop by H&H Processing at 68656 Hwy 64 or call 970-878-5126. Visit us today to have your trophy processed with a touch of class. We also have a selection of skulls for sale.
